

COMPANY PROFILE

Badger State Consulting (BSC) has been engaged in engineered design and inspection of electrical construction since 1984. Our staff has proven experience in construction projects from the local level to national infrastructure joint ventures. We pride ourselves on exceeding expectations and a point of service uncommon in today's market.

Our group delivers the technical insight, history and talent required to approach any project with confidence. At BSC we are client focused and committed to being involved from start to finish with the highest level of professionalism and integrity. By combining our teams design knowledge with in-the-field expertise, we serve our clients with added value and concise planning throughout the process.

Client experience puts you first. We look forward to your unique project and the partnership shared in its completion.

CORE COMPETENCIES:

- State Certified Engineered Electrical Design
- Construction Administration / Project Consultant
- Electrical Inspection
- Automated Controls
- Electrical System Studies
- Quality Assurance / Quality Control Services
- Professional Code Training

NAICS CODES:

541330	Engineering Services
541350	Building Inspection Services
541420	Industrial Design Services
541340	Drafting Services
541690	Other Tech Consulting Services
238210	Electrical Contractors and Other Wiring Installation Contractors

NIGP CODES:

92500	Engineering Services, Professional
91842	Engineering Consulting
92536	Engineering Services (Not Otherwise Classified)
91172	Design/Build Contingency
90735	Designing Services
92522	Control Systems Engineering
92539	Fire Protection Engineering
96847	Inspection Services

DUNS#: 011481158 CAGE Code: 8BMU8

KEY DIFFERENTIATORS:

- Joint Venture Experience Across All Disciplines
- National Project Capabilities
- Field Experienced Staff (Master Electrician, Commercial Inspector)
- Extensive Knowledge of Electrical Products and Installation Techniques
- USACE CQM-C Certified
- NFPA Members and Prior Code Panel Chairman
- IAEI Members and Prior Western Section Board of Directors
- Chairman of Wisconsin Code Council

"DELIVERING INTEGRATED SOLUTIONS FOR CONSTRUCTION
DRIVEN DESIGN"

PAST PROJECT PERFORMANCE

CALCASIEU PASS, LNG | 2018-Present

Location: Cameron, LA
-Liquefaction Terminal and Pretreatment Facilities
-Electrical Engineering and Support for Five (5) Architectural Buildings

LINCOLN COUNTY UNIT 17 | 2019-2020

Location: Stanley, NC
-Electrical Engineering and Support Central Control Building

FREEPORT LNG | 2016-2019

Location: Freeport, TX
-Liquefaction Terminal and Pretreatment Facilities
-Electrical Engineering and Support for Twelve (12) Architectural Buildings

COVE POINT LNG | 2014-2017

Location: Lusby, MD
-Combined Cycle Power Plant & LNG Terminal
-Electrical Engineering and Support for Nine (9) Pre-Engineered Process Buildings

SEWAREN UNIT 7 | 2016-2017

Location: Woodbridge, NJ
-Combined Cycle Power Plant
-Electrical Engineering and Support for Nine (9) Pre-Engineered Process Buildings

TVA PARADISE | 2015-2016

Location: Drakesboro, KY
-Electrical Engineering and Support for Four (4) Architectural Buildings

ML&P | 2014-2015

Location: Anchorage, AK
-Combined Cycle Power Plant
-Electrical Engineering and Support for Turbine/Administration Building

*Notable Power Sector Mentions: GCGV, Neal Stations, Elk Station, Sooner OG&E, Mill Creek, Warren County, Carty Station, Wildcat, WA Parrish

Fort McCoy Access Control Point (ACP) | 2017-2019

Location: Tomah, WI
-Electrical Engineering and Support for New Security Guard House and Access Roadway

MVSC Expansion Mosinee Readiness Center | 2019-2021

Location: Mosinee, WI
-Department Of Military Affairs
-Electrical Engineering and Support for Parking Lot Renovation

Aspirus Riverview Hospital Health Simulation Center | 2019-2021

Location: Wisconsin Rapids, WI
-Electrical Engineering and Support for New Health Simulation Center

Aspirus Riverview Varian Linear Accelerator Project | 2020-2021

Location: Wisconsin Rapids, WI
-Electrical Engineering and Support for New Linear Accelerator Provided by Varian

Inn At Sentry | 2018-2021

Location: Stevens Point, WI
-Electrical Engineering and Support for the New Sentry Insurance Boutique Hotel and Conference Center

Commercial Electrical Inspection Agency State of Wisconsin | 2021-2023

Counties Awarded: Marathon, Lincoln, Langlade, Oneida, Vilas
-State Contract to Provide Commercial Electrical Inspection Services
