## Code Training That Actually Applies to Your Projects

Electrical contractors, designers, and construction professionals face constant code changes, inspections, and compliance challenges across commercial buildings, electrical installations, and residential construction. Generic training doesn't always address what your team sees in the field — and that's where we come in.

### Private Training for Your Team

Does your shop or office need training built around your work?

We offer custom, compliance-focused code training tailored to your specific operations, project types, and risk areas. Whether you're looking to reduce inspection corrections, improve consistency across crews, or stay ahead of code requirements, our training delivers practical, real-world guidance your team can use immediately. Our format encourages open discussion and allows your team to bring forward real jobsite questions, recurring inspection issues, and topics of concern for clarification.

The goal is simple: **clear understanding, fewer surprises, and better compliance across your entire team.**

Earn CEUs that are worth the time spent and the effort made — **practical, relevant training you can actually use on the job.**

Even if you're not ready to attend a class yet, you can register anytime to join our mailing list and stay in the loop on upcoming courses and training opportunities.

Continuing Education Units (CEUs) are available for the following license types: Commercial Electrical Inspector, UDC Electrical Inspector, Master Electrician, Master Electrician (Residential), Journeyman Electrician, Journeyman Electrician (Industrial), Journeyman Electrician (Residential), and Registered Electrician.

Each 3–4 hour course includes a 15-minute break with snacks provided. For full course sessions lasting six (6) hours or more, break for lunch or a meal will be provided when specified in the course description.

### Seminar and Training Terms & Conditions

By registering for and attending the seminar and/or training classes ("Seminar"), you agree to the following Terms and Conditions.

#### Registration

The Seminar is open to construction industry professionals. Completion of the registration form and payment of any applicable fees are required to confirm participation. A confirmation email will be sent with event details, including date, time, location or virtual access information, and any additional instructions.

#### Payment and Fees

All registration fees must be paid in full at the time of registration. Fees are non-refundable unless the Seminar is canceled by the organizer, in which case a full refund will be issued. If you are unable to attend, your registration may be transferred to another individual by providing written notice at least ten (10) business days prior to the event. No refunds will be issued for cancellations.

#### Seminar Content

All Seminar materials, including presentations, handouts, and related content, are the intellectual property of the organizers and/or speakers and are provided for personal use only. Reproduction, recording, or distribution is prohibited without prior written permission. The organizers reserve the right to modify the Seminar content, schedule, or speakers at any time.

#### Conduct and Recording

Participants are expected to conduct themselves in a professional and respectful manner toward speakers, organizers, and fellow attendees. Disruptive behavior may result in removal from the Seminar without refund. Audio, video, or photographic recording of the Seminar is prohibited unless explicitly authorized by the organizers.

#### Event Access

For virtual Seminars, participants are responsible for ensuring they meet all technical requirements, including a stable internet connection and compatible devices. The organizers are not responsible for access issues due to participant equipment or connectivity.

#### Liability and Disclaimer

Attendance at the Seminar is at the participant's own risk. The organizers are not liable for any personal injury, loss, or property damage incurred during or in connection with the Seminar. The organizers are not responsible for delays, modifications, or cancellations due to events beyond their reasonable control, including natural disasters, technical failures, or government restrictions.

#### Privacy

By registering for the Seminar, participants consent to the collection and use of personal information for event administration and related communications. Participants may opt out of marketing communications at any time.

#### Health and Safety (In-Person Events)

Participants agree to comply with all applicable health and safety protocols established by the organizers. Individuals who are ill or experiencing symptoms of illness are encouraged not to attend in-person events.

#### Cancellation or Rescheduling

The organizers reserve the right to cancel or reschedule the Seminar. In the event of cancellation, a full refund will be issued. If rescheduled, participants may attend the new date or request a refund.
